

Cassies words dangled in the air like an invitation, warm and welcome. He couldnt likely bring her home without a simple kiss, now, could he? When their eyes met, Shane tilted his head, asking for permission with the lift of his brow. She nodded slightly - a silent response - yet the best thing hed heard in weeks - Yes. Twenty-four-year-old Cassie Lovell has a great job, good friends, and an apartment with a killer view. That is, until life is turned upside down. Without the chance to say goodbye, Cassie is forced into a witness protection program on Emerson Ranch. Just when she fears life is doomed, Cassie meets Shane Emerson, the stunningly handsome cowboy wholl be posing as her newlywed groom. Shane Emerson is determined not to fall for the woman hes agreed to harbor. Especially since the whole thing was his familys way of trying to get him hitched. So why is it when he takes Cassie into his home, Shane wants nothing more than to turn their make-believe marriage into more than just a sham? In a moment of weakness, Shane steals a kiss. In return, Cassie steals his heart. Yet before they confess their undying love, a hidden danger threatens to tear them apart.
