

Honey. Drizzled over a slice of fresh bread or eaten directly from the spoon is one of life's great pleasures. And with beehives springing up on urban rooftops, in next door's back garden even schemes for adopting bees or renting hives becoming a honey producer seems possible. So how easy is it and what's involved? By sharing the journey of 18-year-old beekeeper Orren Fox who clearly remembers what it's like to be a rookie you'll discover that keeping your own honeybees is easier than you think. Find out: How and where to set up your hive The tools and equipment you need to get started The job of inspecting the hive How and when to harvest your honey With delicious honey-based recipes shared by talented and resourceful chefs and cooks, including Honey & Co., you'll learn all about bees and their inspiring world of work and honey production. And may even be tempted to buy your first bee suit. Do Beekeeping is part of a series of Do Books designed to help you learn something new and motivate you to do it. A 5% royalty from each copy sold goes to the Do Lectures - sharing ideas to inspire action.
