

Description Gathering Roses is a young adult novel with a much wider appeal. Introverted and studious Lori Solomon meets nonconformist Grateful Dead follower, Nick Warren, and soon finds herself on a seemingly endless carnival ride with him. Although not always apparent to Lori, it is Nick's precarious health condition that seems to underlie his outlook on life, influencing what he expects to get out of it as well as what he feels he needs to put into it. Ellen takes a modern and novel approach to writing fiction, as well as using prose she also uses email conversations to tell her story. This is a delightful book, a most enjoyable read.

About the Author Ellen Weisberg has a Ph.D. in pharmacology and is actively involved in leukaemia research. She also does part-time weather broadcasting for radio. A member of the Society of Children's Book Writers and Illustrators (SCBWI), Ellen's writing credentials include a short story, entitled Fruit of the Vine, and poem, entitled If Only, published in PKA's Advocate, and a children's U.S. geography book, entitled Friends and Mates in Fifty States, co-authored by her husband, Ken Yoffe, and which is being published by Minnesota-based Galde Press. Finally, Ellen is an illustrator for e-cards and print cards developed by Mountain Mist Productions.

Parish and Belonging: Community, Identity and Welfare in England and Wales, 1700-1950, Adventures on the Columbia River, EROTIC BIBLE TO EUROPE: FROM KINKY TO CHIC, Fundamentals of Sensory Physiology (Springer Study Edition), Travels In Africa, Egypt, And Syria, From The Year 1792-to 1798..., Folklore, Fable & Fantasy, A Brief History of the Philosophy of Time, Report of the Joint Commission on the Book of Common Prayer, Appointed by the General Convention of 1913,

Relationships play out via e-mail in this novel about a student and her escapades with a former addict.
