

Think like the best and succeed like the best Ever wondered how some people always manage to succeed? Well wonder no longer, How to Succeed with NLP examines exactly how those people do it and breaks down everything you need to know to emulate their success. This energising book shows you how to change your mindset and alter your behaviour to become the most valuable asset in your company. The NLP techniques will provide any ambitious, eager person with the perfect toolkit to get ahead. You will learn how to; increase your confidence, improve your influencing skills, handle conflict situations, dispel anxious feelings, trust your intuition, create a rapport with others, be more effective in your communication, understand and use body language, define the results you want and set about achieving them.
