

From the author of *The Legend of the Bloodstone*, Winn and Maggie return for a new journey in the turbulent times of 1600s Jamestown... When Maggie McMillan is sent back to 1622 by the power of a magical Bloodstone, she makes the choice to remain in the past with the Powhatan warrior who holds her heart captive. Cursed with the knowledge of what the future holds for both the English and the Powhatan people, Maggie and Winn struggle to find safety for their family in a world gone mad. With the sudden appearance of the Norse Time Walker known as Pale Feather, secrets long buried are revealed that change the course of their destiny. Maggie finds that her journey to the past was no accident, and Winn must decide where his loyalties truly lie. As danger and magic test the bond of blood between them, they must embrace their demons - or risk losing everything.
